RIGHTS GUARANTEE

I/We hereby confirm that the image material submitted by me/us is free from third-party rights and/or that I/we hold all usage and exploitation rights to the submitted image material.

I/We also confirm that for all individuals depicted in the submitted image material, as well as for all recognizable trademarks and/or other protected objects (in particular, copyrighted works, design-protected objects, etc.), the necessary rights for all uses and exploitations of this submitted image material are held by me/us.

I/We agree to provide written proof of this to the Austrian Fashion Association (hereinafter referred to as "AFA") upon first request.

I/We expressly declare that I/we will fully indemnify and hold AFA harmless from any third-party claims in this regard. Furthermore, in the event of a legal infringement asserted against AFA, I/we agree—upon AFA's request—to immediately take over the entire correspondence related to the matter.

WORK USAGE PERMISSION

I/We grant the AFA a free, unlimited permission to use the entire submitted image material (see above-mentioned photographs/works) in terms of the aforementioned rights guarantee, for all uses/exploitations in both analog and/or digital form, and for all media and methods, both in part and/or in full, whether edited or unedited. This permission applies particularly to the following uses of the above-mentioned photographs/works: for physical reproduction, distribution, broadcasting, publication, and online use, including making them available on the internet (e.g., on all web portals and social media channels where AFA is present or presents itself), for inclusion and archiving in databases (e.g., the AFA funding database).

The work usage permission also extends to the right of AFA to partially and/or fully transfer the permission to third parties, particularly for documentation by the funding bodies and sponsors/supporters of AFA, including the Federal Ministry for Arts, Culture, Public Service, and Sports (BMKÖS), the Cultural Department of the City of Vienna (MA 7), as well as their legal successors, and other third parties collaborating with AFA.

For solely commercial uses of the above-mentioned photographs/works that generate direct and immediate income, a separate agreement between the parties must be made in each case. The inclusion of photographs/works in publications of the AFA is not considered commercial use, even if they are sold in bookstores.

Furthermore, I/we hereby grant AFA the right to label the entire submitted image material with the appropriate author attribution, wherever possible.
